### **Civic Organizations meet at the History Center's Library Room.**

- The Avalon Garden and Women's Civic Club both hosted their monthly meetings at the History Center.

### **Library employees temporarily relocate to the History Center**

- As the Library undergoes some cosmetic changes employees have temporarily relocated office space to the 2<sup>nd</sup> floor of the History Center. When changes are completed within the library employee staffing will shift back to the library, but a work station will remain open on the 2<sup>nd</sup> floor of the Center.

### **Exhibit Cases donated to new Historical Society**

- As new exhibit spaces take shape at the History Center some of our older exhibit cases needed to be removed to coincide with upcoming projects. After an advertisement listed on Hnet NJ elicited a huge response the cases were donated to the Historical Society of Winslow Township, NJ. Hopefully the cases will help the new Historical Society provide the public insightful looks at collections and Southern NJ history.
